

## Income Tax Interest Rate

### Income Tax Interest Rate

*What is the interest rate for Colorado tax purposes?*

The income tax interest rate for 2010 and 2011 is 6%. A lower rate of 3% applies if the payment of tax, or an agreement to pay, is made within 30 days of notice of underpayment or nonpayment. This rate also applies when a tax underpayment or nonpayment is cured voluntarily without notification from the Department of Revenue.
